Article 1-B. To see if the Town will vote to adopt Amendment No. 1-B to the existing Town Zoning Ordinance, as proposed by the Planning Board, to amend Section 5:8:5:4 under the Camping Ordinance to read, "Permits may be revoked at any time on forty-eight (48) hours written notice after the Selectmen or their designated agent have investigated an alleged or observed violation of Center Harbor ordinances, regulations or site plan review conditions and substantiated the offense."

141 Yes

7 No

Article 1-C. To see if the Town will vote to adopt Amendment No. 1-C to the existing Town Zoning Ordinance, as proposed by the Planning Board, to and Section 2:1:5 under Definitions to reflect that the Planning Board will use the newest edition of the Merriam Webster Collegiate Dictionary.

148 Yes

3 No

Article 1-D. To see if the Town will vote to adopt Amendment No. 1-D to the existing Town Zoning Ordinance, as proposed by Petition, to amend Section 9:4 by adding the following sentence, "Boathouses located in or over the water, including dredged inlets, are not permitted." This was not recommended by the Planning Board.

65 Yes

99 No

At 7:30 P.M. the Town Meeting reconvened in the Fire Station to act upon Articles 2 through 32. The meeting was started with the Pledge of Allegiance to the Flag. Moderator John Kimball II announced the results of the vote for Town Officers, School Board Officials and Town Zoning Amendments.

Article 2. It was moved by Lew Hanson and seconded by Diane Kline to raise and appropriate such sums of money as may be necessary to defray the Town charges for the ensuing year and make appropriations of the same. The sum being \$524,762. Lew Hanson explained the \$5,000 increase from the amount on the Town Warrant. At the time of the Budget Hearing the Selectmen had

budgeted \$20,000 for updating the Town assessment. After negotiating with the town assessor the cost is going to be \$25,000. The motion passed.

Article 3. It was moved by Scott Davis and seconded by Jeff Haines to raise and appropriate \$326,760 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. \$28,003 to be paid from State Highway Block aid, the balance of \$298,757 to be raised by taxes. The motion passed.

Article 4. It was moved by Lew Hanson and seconded by Chris Williams to amend the wording of this article to read: "To see if the Town will vote to raise and appropriate the sum of \$60,000 as a portion of the Town's share of a State Aid Reconstruction project for the reconstruction of a portion of High Haith Road, Anthon Road and a portion of Center Harbor Neck Road; pursuant to RSA 32:3 VI, this appropriation will be a non-lapsing, non-transferable account and will not lapse until the project is complete or in five years, whichever is less. With the successful completion of the project, High Haith Road, Anthon Road and Center Harbor Neck Road portions, which are now classified as Class II State Highways, shall be accepted by the Town and reclassified as Class V Town Highways. This request is for ownership and maintenance of the afore mentioned portions of State roads. Jeff Haines, Road Agent, explained that the reason that this Article has been worded in this way is so the State will come through with their funding on this project. This is a State Aid Reconstruction Project, it is going to be built with one third Town money and two thirds State money. The Article must be worded this way so that the Legislature will approve the funding. David Johnson asked with the State budget cutting how do we know that the State will come through? Jeff stated that he has spoken to Bob Barry, Administrator of the New Hampshire Department of Transportation, and he assured Jeff that the State would come through with their portion of the money. The State funds should be available June 1st. The vote on the amended wording was unanimously in favor. The vote on the amended Article 4 was unanimously in favor.

Article 5. It was moved by Scott Davis and seconded by Bess Hanson to raise and appropriate the sum of \$143,813 for the disposition of Solid Waste. The vote was unanimously in favor.

Article 6. It was moved by Diane Kline and seconded by Scott Andersen to raise and appropriate the sum of \$55,500 for the maintenance of the Center Harbor Fire Department. The vote was unanimously in favor.

Article 7. It was moved by Scott Davis and seconded by Scott Andersen to authorize the Selectmen to enter into a lease-purchase agreement in the amount of \$204,929 payable over a term of ten years at a rate of \$26,475 per year to purchase a new 2003 International pumper fire truck for the Fire Department. The first payment of \$26,475 will be due one year after the delivery of the vehicle. Funds will not be appropriated in 2003. This

Article was recommended by the Selectmen. The vote was unanimously in favor.

Article 8. It was moved by Lew Hanson and seconded by John Schoenbauer to raise and appropriate the sum of \$143,410 for the operation of the Police Department. The vote was unanimously in favor.

Article 9. It was moved by Scott Davis and seconded by Scott Andersen to raise and appropriate the sum of \$26,316 for the purpose of purchasing a new 2004 Dodge Intrepid police cruiser for the Police Department. This Article was recommended by the Selectmen. The vote was unanimously in favor.

Article 10. It was moved by Lew Hanson and seconded by Bess Hanson to raise and appropriate the sum of \$45,800 for Parks and Recreation. John Schoenbauer stated that he had attended the Budget Hearing and at that time there was some discussion of the Parks and Recreation Department. As a result Mr. Schoenbauer had some questions. He approached the Town Office to provide some information about activities of the Parks and Recreation Department and the Director. Mr. Schoenbauer gave some specifics regarding the information that he had received and suggested that there might be a more efficient method of operation for the Parks and Rec Department. Carolyn Schoenbauer then asked to amend Article 10 to read as follows: To reduce the Parks and Recreation Budget by \$4,000, specifically on the wage line for the Parks and Recreation Director, his Assistant and the Tennis Instructor. This line would then read, \$12,250. Mrs. Schoenbauer then spoke to this motion which was seconded by John Schoenbauer. Mrs. Schoenbauer feels that the citizens of Center Harbor expect year round activities yet most of the activities are focused during the summer months. In reviewing the submitted hours for 2002 of the Parks and Rec Director's time there was a substantial number of hours designated for paperwork and organizing files. Mrs. Schoenbauer feels that with some creative specifics we can develop a more effective way to track programs to ensure a year round program for the citizens of Center Harbor. She believes her amendment is doable if the Selectmen will agree to direct the Parks and Rec Director as follows: A. A total of 800 hours (maximum) per year be allowed for the Parks and Rec Director and his assistant. B. Pay of \$15.00 an hour remains the same. C. The 800 hours may be designated as needed with the following specification: The summertime hours should be limited to 40 hours per week for the Parks and Rec Director (summertime meaning July and August). D. A program of events is to be published quarterly with the planned events for that season. E. Information be published monthly-to the Center Harbor columnist- for upcoming programs. F. Monthly family events be planned throughout the year. For example: Pot Luck Dinners, Cookouts, and square dancing on the beach. And finally G. A committee of volunteers be established to assist the Parks and Rec Director in planning these events. This amendment was seconded by John Schoenbauer. The motion to raise and appropriate the sum of \$41,800 for the Parks and Recreation Department passed.

Article 11. It was moved by Scott Davis and seconded by Barbara Lauterbach to raise and appropriate the sum of \$13,200 for Patriotic Purposes including the Fourth of July activities. David Schimke asked why there is a \$650 increase over last year and pointed out that there has been a \$2500 increase over the last two years. Robin Woodaman explained that there a few lines items from the Budget that go into that amount. The fireworks line item has been increased to \$6750 and there has been money budgeted for flags to be displayed in Town. Bart Coudert explained that the Foot Race portion raises money for the Town. The tee shirts are purchased and then the participants are charged. The fee offsets the cost of the tee shirts. This motion passed.

Article 12. It was moved by Scott Davis and seconded by Scott Andersen to raise and appropriate the sum of \$6,600 for Band Concerts, including Holiday performances. David Schimke asked why this Article was increased from last year. Robin Woodaman explained that the Selectmen have raised the stipend for the Band Director to \$1500. Lew Hanson pointed out that the Selectmen have advertised for a Band Director but as it stands right now we do not have one. The motion passed.

Article 13. It was moved by Helen Heiner and seconded by Barbara Lauterbach to raise and appropriate the sum of \$72,127 for the operation of the Nichols Memorial Library; \$6,820 to be paid from trust and other funds, the balance of \$65,307 to be raised by taxes. David Schimke pointed out that this was a \$2,960 increase over last year and asked why. Helen Heiner explained that the Library is open more hours, the health care cost has increased, and by State mandate the encyclopedias had to be replaced. The vote was unanimously in favor.

Article 14. It was moved by Lew Hanson and seconded by Bess Hanson to raise and appropriate the sum of \$35,496 for the purpose of providing ambulance service to the town. The vote was unanimously in favor.

Article 15. It was moved by Scott Davis and seconded by Bess Hanson to raise and appropriate the sum of \$8,000 for Direct Welfare. The vote was unanimously in favor.

Article 16. It was moved by Lew Hanson and seconded by Connie Martin to raise and appropriate the sum of \$500 for the Centre Harbor Historical Society. The vote was unanimously in favor.

Article 17. It was moved by Scott Davis and seconded by John Schoenbauer to raise and appropriate the sum of \$1,050 for Center Harbor's share of the operation of the Red Hill Fire Tower. The vote was unanimously in favor.

Article 18. It was moved by Bess Hanson and seconded by Eloise Coudert to raise and appropriate funds for the support of

the Inter-Lakes Day Care Center (\$4,527 requested in 2003. \$4,527 appropriated in 2002). The vote was unanimously in favor.

Article 19. It was moved by Scott Davis and seconded by Eloise Coudert to raise and appropriate funds for the support of Child and Family Services. (\$3,500 requested for 2003. \$3,500 appropriated in 2002). The vote was unanimously in favor.

Article 20. It was moved by Bess Hanson and seconded by Helen Heiner to raise and appropriate funds for the support of the Meredith Public Health Nursing Association (\$12,201 requested for 2003. \$12,201 appropriated in 2002). David Schimke congratulated the Visiting Nurses for their outstanding work and keeping the amount requested the same as last year. The vote was unanimously in favor.

Article 21. It was moved by Bess Hanson and seconded by Eloise Coudert to raise and appropriate funds for the Community Action Program (\$8,000 requested for 2003. \$7,619 appropriated for 2002). The vote was unanimously in favor.

Article 22. It was moved by Helen Heiner and seconded by Barbara Lauterbach to raise and appropriate funds for the support of the Lakes Region General Hospital (\$600 requested for 2003. \$600 appropriated in 2002). The vote was unanimously in favor.

Article 23. It was moved by Lew Hanson and seconded by Connie Martin to raise and appropriate funds for the support of the Greater White Mountain Chapter of the American Red Cross (\$1,000 requested for 2003. \$1,000 appropriated in 2002). The vote was unanimously in favor.

Article 24. It was moved by Helen Heiner and seconded by Barbara Lauterbach to raise and appropriate funds for the support of New Beginnings (\$850 requested for 2003. \$850 appropriated in 2002). The vote was unanimously in favor.

Article 25. It was moved by Elwin Norton and seconded by Helen Heiner to raise and appropriate funds for the support of the Winnepesaukee Wellness Center (\$3,000 requested for 2003. \$3,000 appropriated in 2002). The vote was unanimously in favor.

Article 26. It was moved by Scott Davis and seconded by John Schoenbauer to raise and appropriate funds for the support of Lakes Region Community Services Council (\$300 requested in 2003. \$300 appropriated in 2002). Diane Drenkhahn asked who this group was. Robin Woodaman responded that their report to the Town is on page 62 of the Town Report. The vote was unanimously in favor.

Article 27. It was moved by Chris Williams and seconded by Helen Heiner to raise and appropriate funds for the support of Genesis Behavioral Health. (\$1,245 requested for 2003. \$0 appropriated in 2002). Chris Williams pointed out that Genesis has provided help to 36 Center Harbor residents over the last

year and that they receive very limited support from other agencies for children. David Schimke asked Chris if he represented this organization. Chris Williams does not work for Genesis. Mr. Schimke stated that these agencies should have someone here to explain why they have come before the Town of Center Harbor requesting to be put on the yearly list. David Schimke asked how something like this gets on the Warrant. Scott Davis explained that 2 representatives came to a Selectmen's meeting and presented this request. They are very hardpressed at this time for funding and there are quite a few residents in our community who are benefiting from their service. Helen Heiner, who does not work for Genesis but does work in the health care system, knows that they are all hardpressed. Ken Ballance, Health Officer, has worked with Genesis and stated that this is a very worthwhile for very little money. The Report on page 64 does not really speak to how much these people do. Gerald O'Neil asked if this is a non-profit group, Ken responded that as far as he knew it was. The motion passed.

Article 28. It was moved by Lew Hanson and seconded by Edward Libby to abandon a Class VI road completely located within Town Tax Map 4, Lot 16, owned by Henri W. Karen C. Dionne. (By request). Diane Drenkhahn asked why the Selectmen would abandon this road. Lew Hanson said that this road used to cut across College Road to Route 3, and the Town has not used it for many years. The vote was unanimously in favor.

Article 29. It was moved by Scott Davis and seconded by Edward Libby to authorize the Selectmen to dispose of property acquired by deeds of the Tax Collector, or deeded to the Town in lieu of taxes, in such manner as determined by the Selectmen that justice may require, and to ratify and confirm prior deeds given by the Selectmen for property acquired by Collector's deed or deed in lieu of taxes, until rescinded. The vote was unanimously in favor.

Article 30. It was moved by David Schimke and seconded by Lee Woodworth to allow a discount of two percent on taxes paid in full within twenty-two (22) days of issue of tax bills by the Tax Collector. The vote was unanimously in favor.

Article 31. It was moved by Scott Davis and seconded by Eloise Coudert to see if the Town will consider The Health Care for New Hampshire Resolution:

Whereas, New Hampshire residents pay th 12th highest cost of insurance in the country; and

Whereas, the cost of health insurance premiums for families has increased by 45% over the past three years; and

Whereas 100,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and

Whereas, due to these rising costs almost half of New Hampshire's small business cannot afford health coverage for their employees, therefore be it resolved

That we, the Citizens of Center Harbor, New Hampshire, call

on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

- Everyone, including the self-employed, unemployed, and un- and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive;

- Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system;

- Everyone receives high quality care that is cost efficient and medically effective; and

- That these efforts help control the skyrocketing cost of health care.

The above language represents a resolution signed by the required number of Center Harbor registered voters. This resolution is non-binding and represents no fiscal impact. John Schoenbauer asked where these statistics came from. Diane Kline stated that this was a petitioned article that people here had brought forward. So that if someone who had signed the petition wanted to speak on it that would be great. David Johnson feels that this might not have any impact this year, but the long term this would have a huge fiscal impact on what the tax paying working citizens in the Town of Center Harbor. Mr. Johnson encouraged those here to vote no. Kent Warner feels that we should support this resolution. David Schimke feels that this would have a large impact on Center Harbor. The motion did not pass.

Article 32. To choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen. There were no agents or committees chosen and no reports to hear.

At this time Lew Hanson asked to thank all of the many volunteers who had done so much for the Town.

John Kimball thanked the Firemen for allowing us to use the Fire Station. John also announced that it had been brought to his attention that it was the birthday of his predecessor, Edward Libby, George Davy and Roger Martin and asked those present to sing Happy Birthday to Ed, George, Roger and anyone else who might be having a birthday.

Ken Ballance asked those assembled, not withstanding the politics of the situation, to have introduced into the public record, that on this day, March 11, 2003, we the people of Center Harbor assembled for this meeting would like to commend the patriotic individuals who are serving in the United States Military wherever called for duty.

The 2003 Town Meeting was adjourned at 8:40 P.M.

Submitted by,

Town Clerk

STATE OF NEW HAMPSHIRE  
TOWN OF CENTER HARBOR

TOWN WARRANT

---

To the inhabitants of the Town of Center Harbor in the County of Belknap in Said State,  
Qualified to vote in Town Affairs:

You are hereby notified to meet at the Cary H. Mead Meeting Room in Said Center Harbor on Tuesday, the ninth day of March at ten of the clock in the morning to act upon the following subjects:

Article 1-A. To choose all necessary Town and School Officers for the year ensuing.

Article 1-B. To see if the Town will vote to adopt Amendment No. 1-B to the existing Town Ordinances, as proposed by the Planning Board, to amend Section 4:3 Penalties to read, "Any person who violates any portion of State of New Hampshire Revised Statutes Annotated Title Planning and Zoning, or any local ordinance, code, or regulation adopted under this title, or any provision or specification of any application, plat, or plan approved by, or any requirement or condition of a permit or decision issued by, any local administrator or land use board acting under the authority of this title:

- (a) Shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.
- (b) Shall be subject to a civil penalty not to exceed \$275 for each day that such violation is found to continue after the conviction date or after the date on which the violator receives written notice from the municipality that the violator is in violation, whichever is earlier. (See RSA 676:17)

Article 1-C. To see if the Town will vote to adopt Amendment No. 1-C to the existing Town Zoning Ordinance, as proposed by the Planning Board, to add under Section 5, "Pie and flag shaped lots are allowed. (See Subdivision Regulations).

Article 1-D. To see if the Town will vote to adopt Amendment No. 1-D to the existing Town Zoning Ordinance, as proposed by a Petitioned Article, to amend Section 9:4 by adding the following sentence, "Boathouses located in or over the water, including dredged inlets, may not be approved." Not recommended by the Planning Board.

Article 1-E. To see if the Town will vote to adopt Amendment No. 1-E to the existing Town Zoning Ordinance, as proposed by the Planning Board, to add a new section, "Floodplain Management Ordinance". This Ordinance would allow property owners in the Town of Center Harbor to apply for flood insurance.

Article 2. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the Town charges for the ensuing year and make appropriations of the same. The sum being \$524,398.

Article 3. To see if the Town will vote to raise and appropriate the sum of \$23,420 for the purchase of new assessing software, upgrading of accounting software and hardware.

Article 4. To see if the Town will vote to raise and appropriate \$293,488 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. \$28,089 to be paid from State Highway Block Aid, the balance of \$265,399 to be raised by taxes.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$60,000 for the purpose of upgrading roads in Town.

Article 6. To see if the Town will vote to authorize the Selectmen to enter into a lease-purchase agreement in the amount of \$93,260 payable over a term of five years at a rate of \$18,652 per year to purchase a new 2005 International Model 7400 plow truck for the Public Works Department and further to raise and appropriate \$18,652 for the first years installment. This lease-purchase agreement contains an escape clause. (Majority vote required).

Article 7. To see if the Town will vote to raise and appropriate the sum of \$15,000 for repairs to the Town boat launch ramp and the installation of two ice clusters.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$158,410 for the operation of the Police Department.

Article 32. WHEREAS, certain areas of Town are subject to periodic flooding from streams, rivers and lakes causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of the Board to work with the community's Planning Board to develop legislation involving the recognition and evaluation of flood hazards in all official actions relating to land use in the special flood hazard areas; and

WHEREAS, this body and the Planning Board have the legal authority to present such legislation to the town's legislative body for consideration and approval at a regular town meeting; and

WHEREAS, the town meeting has the legal authority to adopt and amend land use control measures to reduce future flood losses pursuant to New Hampshire's RSA, Chapters 672 through 677.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Selectmen of Center Harbor hereby:

1. Assures the Federal insurance Administration that it will recommend enactment for those areas having flood hazards, as delineated by the Flood Insurance Rate Map issued by the NFIP dated, and any published revision to this map, adequate land use and control measures with effective enforcement provisions consistent with the criteria set forth in Section 60 of the NFIP regulations; and
2. Vests the Chairman with the responsibility, authority and means to:
  - a. Assist the Administrator at his request, in his delineation of the limits of the area having special flood hazards.
  - b. Provide such information as the administrator may request concerning present uses and occupancy of the floodplain areas.
  - c. Cooperate with federal, state and local agencies and private firms which undertake to study, survey, map, and identify floodplain areas and cooperate with neighboring municipalities with respect to management of adjoining floodplain areas in order to prevent aggravation of existing hazards.
  - d. Submit a report to the Federal Insurance Administrator concerning the development and implementation of floodplain management regulations. This report should be submitted annually or biennially as determined by the administrator.
  - e. Notify the Federal Insurance Administrator in writing whenever the boundaries of the community have been modified or the community has otherwise assumed or no longer has the authority to adopt and enforce

floodplain management regulations for a particular area. Include with such notification a copy of a map of the community suitable for reproduction, clearly delineating the new corporate limits or area which the community has assumed or relinquished authority.

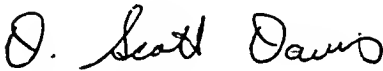

3. Appoints the Building Inspector to maintain for public inspection and to furnish upon request, for the determination of applicable flood insurance risk premium rates within all special flood hazard areas identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, any certification of floodproofing, and information of the elevation of the lowest habitable floor (including basement if habitable) of all new or substantially improved structures, and include whether or not such structures contain a basement, and if the structure has been floodproofed, the elevation to which it was floodproofed.
4. Agrees to take such other official action as may be reasonably necessary and legally appropriate to carry out the objectives of the program.

Use of the James E. Nichols Memorial Library continued to grow during the past year. Over 1,000 more visits were made to use the Library's services and circulation of materials showed the largest increase to date. The addition of DVDs and audio books on CD were welcomed by the patrons. While beginning collections are small, they were well used and we will be expanding these materials to meet demand.

The Library offers services beyond the basic print and audio/visual materials. The New Hampshire State Library continues to fund licensing fees so patrons may access the EBSCO and AncestryPlus databases as well as Newsbank for articles in the Union Leader. New Hampshire has a strong interlibrary loan system with most of the school, public and academic libraries in the state participating and this allows the Library staff to borrow books not available locally. With

the support of the Meredith Village Savings Bank we continue to provide free passes to the Christa McAuliffe Planetarium and free passes to the Squam Lakes Natural Science Center are available as a gift from Helen Heiner. The Library program fund makes available the free passes to Canterbury Shaker Village. The public computer terminals were accessed for use by patrons and visitors 1,140 times. Free classes covering the basics of computer use, internet searching and e-mail are available with Library volunteer, Jane Varley.

In August, two patrons presented an evening on the Civil War at the Library. Peter Chapman provided insight to the life of a Union soldier and Elaine Evain discussed her book Chasm which is based on a historical event of the Civil War which she traced through family records. We are grateful to Parks and Recreation Directors, Eloise and Bart Coudert for their support in offering programs at the Library this year. These included craft and musical events and the Christmas Open House. Carol Scalzo has volunteered many hours establishing an on going used book sale in the basement of the Library. Money from these materials and the annual book sale in July have provided welcome funds to purchase additional materials for the Library collection.

Stafford Oil Company installed a new furnace and new oil tank this fall. Two heating units were added in the basement which hopefully will be a help in reducing the dampness problem there.

We have benefitted from donations of library materials from many individuals and from the Meredith, Moultonboro and Plymouth public libraries. Many hours of help have been contributed by Library volunteers Joe and Carol Scalzo and Ginny Ferlazzo. The work of Library assistants, Judy Hodges and Linda Belisle and the support of the Library Treasurer, Library Trustees and Library Association have made this a very productive year.

Sandra S. Pickel  
Librarian

The Town of Center Harbor is under contract with Grzelak & Co. to be audited in 2004. The audit will be available in the Town Office upon completion.

## CENTER HARBOR PLANNING BOARD REPORT

2003 has been the year of the sub-division with approximately 20 new lots created. Most of the new lots were by one or two lot divisions. The largest was off McCrillis Hill Road; a six parcel application. There was also reactivation of older parcels, which were approved years ago. Almost all of the lots were sold shortly after they were approved. This increase of population has been noted in neighboring towns during the past few years; it was inevitable that Center Harbor would also feel the pressure. There were requests to develop smaller lots in the Agriculture/Rural Zone; however none were allowed to violate the five-acre minimum. One seven-lot application, off Piper Hill Road, next to Hawkins Pond is still in the application stage awaiting State action.

The Board is still awaiting further action on the Music Festival concert hall. Also in the offing is a large addition to the Legionnaires of Christ School. It is initially proposed to include separate chapel, classroom, dining and kitchen facilities as well as extensive landscaping of the entire facility. Still dragging through the State processes is the gravel pit off Daniel Webster Highway. We have received extensive engineering plans, which have been betted by experts both for the applicant and the Board. As soon as the State completes its actions, the process shall continue.

The Board sits on the first and third Tuesdays of the month. The public is always welcome.

## CENTER HARBOR CONSERVATION COMMISSION

### 2003 ANNUAL REPORT

The Conservation Commission continues to work closely with the New Hampshire Wetlands Board reviewing and advising with regard to applications for shorefront changes to our town's water bodies. During 2003, the Commission was presented with a number of Dredge and Fill permits for the reconstruction of docking facilities and shoreline construction on the lakes within Center Harbor.

The Commission is in need of lake monitors who would be a part of the Lay Lake Monitoring program in conjunction with the Freshwater Biology Group of the University of New Hampshire. Lake monitors need access to a boat, and take water samples on a weekly basis during the summer months. Our goal is to insure the benefits of an oligotrophic (clear and clean) lake.

During the summer, Shelby McGuigan and Finnian O'Connell received the Ken Sorlien Campership Award, and attended a week long camping experience at Bear Hill 4-H Camp at Bear Brook State Park in Allenstown, New Hampshire. These camps provide hands-on learning and environmental and conservation appreciation.

The Conservation Commission petitioned for a No Wake Zone in Center Harbor Bay. A public hearing on the petition was held at the Center Harbor Town Hall on Aug. 15, 2003. Despite much support for the No Wake Zone, the petition was denied by the State.

With thanks to Jan Hooper of the Belknap County Conservation District, commissioners planted eight arborvitae around the beach erosion retention pond, in an effort to beautify the area.

On October 27, 2003, our good friend and colleague Harold Bernt passed away, and in his memory the Conservation Commissioners will be dedicating a plaque at the Center Harbor Town Beach during the Spring of 2004. He will be greatly missed.

The Conservation Commission welcomes new members who are interested in promoting conservation awareness and participating in hands-on conservation activities. Please contact any of the following commissioners or the town clerk if you are interested in helping.

Commissioners -

Noelle Beaudin

Carrie Lowell

To the citizens of Center Harbor and the greater Lakes Region area:

Please join us in recognizing the devoted service of Edward “Duke” Kline on behalf of the Center Harbor Conservation Commission. Duke served the commission for 14 years, many of those as chairman. His dedication and leadership of the commission have help preserve the character and quality of our town and region. For many citizens, this is the very reason we have chosen to live in this area. Please join us in thanking Duke for his many years of community service. His enthusiasm and commitment stand as a model for future members of conservation commissions throughout the region.

Annual Report  
of the  
Center Harbor Fire Department  
2003

The year 2003 saw many positive changes in the Center Harbor Fire Department, most notably the delivery of the new fire engine. The new engine arrived just before Thanksgiving and was placed into service the second week of December. Everyone within the Department has been very excited about this new delivery, which is replacing Engine 3, which was a 1971 model. This is the first new fire engine that the town has acquired since 1988.

The second most notable change of the year was the addition of three new members to the Department, bringing our numbers up to 19 members. We had three members become Nationally Registered EMT's this year as well as one who became a NH Certified Firefighter. We are very proud of the achievements of these 4 members and are continuing to encourage others to further their education.

The third notable change during the year 2003 was that you were safer and more careful with fire. Calls for service were down from 250 in '02 to 240 in '03. We experienced only one building fire in Center Harbor in '03 and the homeowner had the fire extinguished before any help arrived! We'd like to have this fellow on our Department! Fortunately, he wasn't hurt and suffered very little in the way of loss to his out-building and possessions. Center Harbor experienced only one chimney fire in '03, but did have 8 outside fires that needed our attention. If you have any doubts or questions about outside burning, please do not hesitate to call the firehouse at 253-4451 or the Fire Chief's home at 279-8535.

Department members spent a total of 775 hours training on Thursday nights here in Center Harbor, plus the outside training time that the 4 members I mentioned earlier donated. Response times for the year average 4.3 minutes to get the first responder or apparatus going to the emergency, with an average of 4 members responding to each emergency. Center Harbor responded to 112 requests for Mutual Aid to communities in the surrounding area and we received Mutual Aid from our neighbors 27 times during this year.

We would like to thank you once again for your continued support and also remind you that the welcome mat is always out for new members. If you or someone you know would like to have an opportunity to give back to this fine community, please call us at 253-4451 or better yet, just stop by some Thursday night; we'd love to show you around.

Respectfully submitted,

D. Scott Davis, Chief of Department  
Center Harbor, NH

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding area) is completely covered with snow. Violations of the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, in addition to the cost of suppressing the fire.

A new law effective January 1, 2003 prohibits residential trash burning. Contact the New Hampshire Department of Environmental Services at (800) 498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and making sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at [www.nhdfi.org](http://www.nhdfi.org) or 271-2217 for wildland fire safety information.

## 2003 Center Harbor Police Town Report

The year 2003 brought many changes for the Center Harbor Police Department. The biggest change was the retirement of Chief Andrew Faller in August. Andy served the town well for many years and touched many lives. We wish him well along with his wife Lisa, son David, and daughter Lauren as he begins a new career in the marine construction field. September brought the promotion of Officer Robert Nedean to the rank of Master Patrolman, and I began serving as Interim Police Chief. This position became permanent on January 7, 2004. I would like to thank all the people who supported me during this period. I was overwhelmed by the number of citizens who approached me with their support. I would also be remiss if I did not thank the neighboring communities who assisted us in making Center Harbor a safe community. In particular, the New Hampshire State Police with coverage and the Meredith Police Department who has generously permitted us to use their facility for processing arrests and conducting interviews. Without this generosity we would have needed to travel to the Belknap County Sheriff's Office located in Laconia each time. This would have resulted in countless hours of our officers being out of the community and delaying their response time when other emergencies arose. The time is coming for us to address these space needs and not rely on our neighbors as we risk straining the great relationships that exist.

The Town of Center Harbor is a safe community full of caring people, but unfortunately it is not crime free. In 2003 we received 552 calls for police service. We made 56 arrests, over 1000 motor vehicle stops, and responded to 34 motor vehicle accidents. The department is still investigating over a dozen criminal cases from 2003.

I am please to report that the police department received close to \$5000 in grant money in 2003 and have received conformation of an additional \$3700 for 2004. I will always pursue grants which I feel will benefit the town.

I would also like to remind people to please post their new 911 numbers and update any changes of address with their alarm companies as well as providing the police department with this updated information. We maintain alarm information at the station and dispatch center along with security check information for anyone who would like additional checks on their property while they are out of town. This year I will also be implementing a program for those who live alone and would like us call and check on them on a daily basis.

I encourage any one to come in and talk with me if they have any concerns or ideas they would like to see implemented. I would also encourage people to get to know the officers who serve the community. Every member of the Center Harbor Police Department cares about the community and wears their uniform with pride.

I will close by thanking everyone in the community for the support we have always received over the years. The community and the police department are a partnership and we must all work together to make our town the best place we can.

Respectfully Submitted.

Chief of Police

CENTER HARBOR PARKS AND RECREATION  
2003 ANNUAL REPORT

My job as Center Harbor Parks and Recreation Director began in April of 2003, with much planning to do for the upcoming months. After a family skating party in February, our first major event was the annual Easter party. We had 50 children plus their parents who enjoyed egg hunts, egg decorating, games and treats.

On March 25th a gardening workshop for adults was conducted. This vegetable and flower gardening workshop drew 10 participants. In April, besides the Easter party, we presented a "Spring Sing" concert for children at the library, with 16 attending.

May brought a "Plant a Garden" program for kids. They helped plant the Children's Garden at the library and also took home a small pot of flowers that they planted themselves. We had 7 participants. The Memorial Day Parade was not stopped by the rain this year. Many thanks to our local American Legion Post for the Honor Guard, and to the InterLakes High School band for marching in the rain. Also thanks to Rev. Earl Miller of the Center Harbor Congregational Church for your fine words.

Memorial Day weekend marks the start of our boat launch attendant's job. This year we collected \$9,610. in fees. Our rainy Summer led to workdays being shortened or cancelled all together. With these "extra" hours we were able to extend our collecting into September. After paying our attendants, the town took in a net gain of \$4,080.

In June we started the "Senior Sing" concerts. The concerts were held June 10, August 12, and Oct. 14. An average of 15 seniors attended each concert. On June 25 our lifeguards went on duty and continued until August 24. Thanks to the guards, we had an incident free Summer.

July is the most active month for the Parks and Recreation Department. On the 4th we started the day with the 25th Annual Center Harbor Footrace. Children's races come first, then the 2 and 5 mile races. This year we had a record 545 runners from around the country participating. The town cleared \$1283. after all expenses were tallied. In the afternoon the Independence Day Parade took place, with Selectman Lewis Hanson serving as grand marshall. The theme was "Remember The Old Man." In the early evening we had a band concert followed by fireworks at dusk.

July 5 was the start of the Red Cross Swim Lessons conducted by our W.S.I. instructors. We had two, three week sessions with a total of 114 registrations. A Water Carnival was held to mark the end of lessons. Also at this time, our Children's Summer Beach Program began. Arts and crafts, games, and special events were conducted on Tuesday, Wednesday, and Thursday from 1 to 3PM. 12 children registered for the six week program, with more participating on a day to day basis.

Summer programs were also offered for adults. A Co-ed Volleyball League was started this year, with four teams participating. Players ranged in age from 13 to 60. The League ran from June 24 to August 10. In September we started two nights of indoor volleyball. Tuesday night is our recreational night, and Thursdays for more advanced play. These volleyball programs take place at the InterLakes Elementary School Gym until the end of the school year. Another program for adults was Beach Yoga taking place two days a week at the town beach during the Summer.

On August 2, the town had its 13th Annual Horseshoe Tournament. The tournament drew 14 players with another 20 to 30 onlookers. The champion "Chippa" MacDonald graciously donated his winnings back to the Recreation Department.

Mid-Summer we tried to start a 3 on 3 Basketball League for Mid-teens, but couldn't get enough teams for a league. The teens enjoyed pick-up games instead. Next year we will start to organize in the Spring. We had two campfire programs on the beach during the Summer, with singing and roasting of marshmallows. Each evening program drew 20 to 30 children and adults. This was a true family event. The 7th Annual Harbopalooza Concert was held in August, with eight local musicians performing to a crowd of about 100.

The Autumn months included a wreath decorating workshop on Sept. 30, which drew 20 participants. The town Halloween Party on Oct. 31 offered games, crafts, treats and a magic show. 130 children and adults attended. November brought a "Heritage Handicrafts" program for children. A handful of kids learned how to weave on a loom, and took home their woven project.

On December 13 we had a Christmas Open House at Nichols Memorial Library. 20 people enjoyed crafts, yuletide treats, music and the lighting of the library lawn Christmas tree.

Residents and the public at large enjoyed the town's numerous recreational facilities this year, including the town's tennis courts, softball/soccer field, basketball court, beach and swimming area, Harbor Yard playground, ice rink, boat launch and walking trails. We are lucky to live in Center Harbor!

## CENTRE HARBOR HISTORICAL SOCIETY

The Centre Harbor Historical Society had a banner year! Many attended the excellent programs at our monthly meetings and we had an increase in visitors to the Museum. Our fundraising effort, the plant sale, was very successful with many plants going to beautify local gardens; thank you E.M. Heath, Inc. for buying the few that remained at the end of the day.

There were no big projects in 2003, but a couple are planned for 2004 – a new sign and redoing the ceiling in the “Little Room”.

2004 will bring a new President to the Historical Society – Paul Mayerson. Thank you, Center Harbor, for all your support.

## LAKES REGION PLANNING COMMISSION

2002 -- 2003

The Lakes Region has changed tremendously in the past 20 years. Homes and businesses have expanded along major roadways, and many of our communities have experienced dramatic change. This growth has resulted in a number of regional challenges. The Lakes Region Planning Commission (LRPC) is the area organization established to address the effects of growth at both the local and regional level. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers diverse direct and support services ranging from technical assistance, geographic information systems, and transportation planning, to land use and environmental planning, and economic development. The LRPC is primarily funded from local, state, and federal resources. We are contacted several times daily for answers to local issues. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our goal remains to provide support and leadership to the governments, businesses and citizens of the Lakes Region.

Here are some of our services performed on behalf of Center Harbor and the region in the past fiscal year:

- ❖ Sent to LRPC Commissioner a summary of some of the services performed on behalf of Center Harbor.
- ❖ Offered to provide assistance with the digitization of the town's wetlands map.
- ❖ Sent to Interim Police Chief data on traffic counts and road lengths in Center Harbor.
- ❖ Sent to Town Clerk a status report on the new Soils Based Lot Sizing based on new Soils Survey Standards.
- ❖ Sent background information about flag lots to local planning officials.
- ❖ Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues. Recent lectures included: Growth Management and Smart Growth, Effective Enforcement of Local Land Use Decisions and Regulations, and Nonconforming Uses and Vested Rights. We also prepared for the 2003 Law Lectures, in partnership with the NH Municipal Association.
- ❖ Completed and distributed the Lakes Region Demographic Profile; a comprehensive compilation of key socioeconomic indicators from the US Census, and other data sources.
- ❖ Convened several meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in transportation planning and project development. The TAC usually advises the LRPC on projects are of regional significance.
- ❖ Initiated the start of the Lakes Region Bicycle and Pedestrian Plan. This planning effort will help provide a blueprint for the location of local bike and pedestrian routes.
- ❖ Hosted a National flood Insurance Program Workshop for Local Officials that provided an overview of the National Flood Insurance Program and training for local officials.

- ❖ With assistance from the Community Development Finance Authority (CDFA) SEED Capacity Grant, LRPC completed a number of work products including the Demographic Profile, coordination with area economic development organizations and Main Street communities, and the computerization of town-level economic development data.
- ❖ Reviewed project proposals through the NH Intergovernmental Review Agreement that provides the region and local communities an opportunity to respond to applications seeking state and federal aid. LRPC reviewed many proposals having a combined investment total greater than \$16 million in the Lakes Region.
- ❖ Conducted over 160 traffic counts and several road inventories around the region, in cooperation with the NH Department of Transportation.
- ❖ Continued technical support to the Pemigewasset River Local Advisory Committee, in cooperation with the NH Department of Environmental Services.
- ❖ Convened four area Commission meetings that featured Natural Resources Planning: a Lakes Region perspective. The presentations were followed by facilitated discussions that identified issues and innovative natural resource initiatives.
- ❖ Planned the 18<sup>th</sup> annual household hazardous waste collection in the Lakes Region. In FY-04, two consecutive Saturdays were designated as collection days for the 24 participating communities. An estimated 20,000 total gallons of waste were collected, containerized, and transported to EPA approved end-of-life locations around the country.
- ❖ Updated the annual Development Trends in the Lakes Region, a survey of subdivision, housing construction, industrial, and commercial development.
- ❖ In consultation with the Transportation Technical Advisory Committee (TAC), LRPC prepared, adopted, and submitted to the NH DOT the latest regional recommendations for Transportation Enhancement Funding.
- ❖ Represented the region on several committees including: the NH Transportation Enhancement Advisory Committee, the Statewide steering committee to update the NH Airport System Plan, the Belknap County Economic Development Council, the Northern Rail Task Force, among others.
- ❖ LRPC also continues to assist start-up efforts of the recently opened Lakes Region Household Hazardous Product Facility.
- ❖ Secured funding from the NH Emergency Management Bureau to assist local communities with the preparation of all hazard management plans.

## Child and Family Services

Child and Family Services very much appreciates the support that we have received from the Town of Center Harbor. Your support helps provide the resources we need to continue to provide effective, affordable services to low-income children and their families.

As New Hampshire's oldest, nonprofit human service agency, we are pleased to serve Center Harbor area children and their families through our Laconia office at 95 Water Street.

In the 12 months ending June 30, 2003, we provided the following services to the residents of Center Harbor.

### SERVICES PROVIDED TO THE RESIDENTS OF CENTER HARBOR

**Family and Children's Counseling** Professional social workers provide counseling services that utilize individual and family strengths to address a wide variety of problems including death, divorce, substance use, abuse and neglect, and other social and mental health issues. Counseling services strengthen the health of the community by assisting families in overcoming the debilitating problems that weaken the family structure and impede a child's healthy development.

**Parent Education Courses** are designed to help parents learn the skills necessary to address the challenges of parenting so that they can raise healthy children in loving and respectful families. Throughout the year, evening courses are held in local communities to accommodate the needs of working parents.

**Adoption Services** help insure that children being adopted are placed in good families who are prepared for parenting and ready for the unique joys and challenges of raising an adopted child. Services are also available after the adoption is final for adoptive parents, their children and birthparents.

**Child Health Support** workers assist families who have abused or neglected children to help solve the problems that led to the abuse or neglect and to strengthen the family.

**Family Skill Builder** provides short-term, in-home education and support regarding budgeting, household management, parenting and other issues to families at risk of abuse or neglect.

**Parentline** A toll-free phone number linking parents to CFS social workers who answer child rearing questions, provide support, direction and appropriate referrals for further assistance.

**Group Home** provides long-term residential care and emergency overnight shelter for youth between the ages of 13 and 18.

**Intensive Tracking and Supervision** helps prevent placement through provision of community based family counseling, intensive supervision, and support to CHINS or delinquent youth and their families.

**Integrated Home Based Services** prevents recurrence of abuse, neglect and delinquency through provision of an integrated series of services designed to meet the specific family's needs.

**Community Education** Staff are available to speak to the interest of community groups regarding behavioral health issues.

The staff and Board of Child and Family Services are pleased to have the opportunity to meet the needs of Center Harbor residents and believe that our services help to strengthen families and their communities. Our continued ability to offer and expand these services is dependent on support from our individual and corporate donors as well as the financial support we receive.

from your town. This year we are requesting town funding in the amount of \$3,500, which was the amount given us in 2003.

We know that these are difficult times for New Hampshire towns as they are for us. We are both being asked to do more with fewer resources. That is why your support is even more important than in the past. We need your help in order to continue to offer high quality and cost effective services to the people of Center Harbor and other Lakes area towns.

If you would like to know more about our services or have any other questions regarding Child and Family Services please feel free to call me at 668-1920, ext 126 I look forward to talking with you and appreciate your consideration of our request.

Sincerely,

REPORT OF THE AMERICAN RED CROSS  
GREATER WHITE MOUNTAIN CHAPTER  
21 Lyford Street  
Laconia, NH 03246  
(603) 524-5414

The American Red Cross, Greater White Mountain Chapter provides programs and services to help individuals prepare for, prevent and respond to emergencies and disasters. The Greater White Mountain Chapter covers a 3,000 square mile area from Gilmanton to the Canadian border.

**Disaster Services:** This direct emergency assistance includes food, clothing, emergency shelter, basic household necessities, medicine, mental health counseling, emergency home repairs, damage assessments and building repair estimates. In addition, American Red Cross disaster volunteers work as case managers for disaster victims, providing linkage to non profit organizations that offer fuel assistance, emergency care for pets, donations of needed goods and services and pre-disaster needs.

**Health and Safety Programs:** Preparing for emergencies is a vital part of the Red Cross Mission. We achieve this goal by providing health and safety courses, including first aid, CPR, lifeguard training, water safety and swimming lessons and HIV/AIDS education.

**Armed Forces Emergency Services:** The Red Cross serves as the official communication link between active members of the military and their families relaying urgent messages regarding birth, death and serious illness. This service is provided 24 hours a day, 365 days a year, around the world.

The Town of Center Harbor has been very supportive to the American Red Cross in previous years and we are very appreciative.

## REPORT OF NEW BEGINNINGS

On behalf of New Beginnings - A Women's Crisis Center, I would like to thank the citizens of the Town of Center Harbor for their continued support. Your 2003 allocation of eight hundred fifty dollars (\$850.00) has enabled us to continue to provide 24-hour crisis support, outreach, and assistance to victims of domestic and sexual assault in all of Belknap County.

Our organization operates a full-time shelter, staffs a 24-hour crisis line, provides advocacy at court, hospitals and police stations, social service advocacy, and offers peer support groups for victims of domestic violence and sexual assault. We also run community and school based education programs. We are members of the Belknap County Family Violence Prevention Forum, a task force made up of community members and professionals initiated by the Governor's Commission to take a stand against domestic and sexual violence in our county.

New Beginnings had advocates and staff in Belknap County courts each working day of this budget year. New Beginnings volunteers donated over 16,000 service hours. All services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal contracts that provide some funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

If you need further information please call 528-6511.

Sincerely,

Kathy Keller  
Executive Director

Inter-Lakes Day Care Center & Nursery School  
Connie Pelletier, Executive Director

On behalf of Inter-Lakes Day Care Center and Nursery School and those we serve, I would like to offer a sincere thank you to the Town of Center Harbor for its continued support. We greatly appreciate the solid support for our families and the community.

Inter-Lakes Day Care Center and Nursery School is open on a year-round basis in two sites from 6:30 am to 5:30 pm, making it possible for parents to maintain employment. Governed by a volunteer Board of Directors, the Center operates comprehensive, developmentally appropriate infant, toddler, preschool, and school age extended-day programs with a full range of services including full and part time child care, morning preschool programs, summer and vacation day camp programs, and USDA approved hot meals and snacks. Guided by a professional staff, the children receive an educational program along with the services of health care, special needs, vision and hearing screening, dental care, and transportation for kindergarten. Through the State of New Hampshire under the Title XX Child Care Scholarship Program, sliding fee scale tuition based on family size and income is available for purposes of employment, training, and pursuit of degree or certificate programs, job search and temporary disability. Additional services include sponsorship of the Inter-Lakes Family Daycare Nutrition Program, a group of 27 licensed home daycare providers who receive federal reimbursement from USDA, by serving approved meals and snacks while providing care for children of working parents.

# LAKES REGION COMMUNITY SERVICES COUNCIL

*Dedicated to serving the community by promoting independence, dignity and opportunity.*

Lakes Region Community Services Council provides support and services to families with children and adults who have developmental disabilities and live in Center Harbor and the surrounding communities. Some of the supports we provide to people with disabilities includes: support to families, respite, help to find jobs, help with keeping employed, involvement with community activities, assistance with personal care needs and transportation.

The funds received from your town continue to be used to support the recreation coordinator's position. She has been working with recreation departments and community members in several towns organizing or assisting in events that create opportunities for all to participate.

We would like to thank the citizens of Center Harbor for your on-going and future support of making recreation opportunities available in your community.

Respectfully Submitted,

Richard Crocker  
Executive Director

## REPORT OF THE WINNIPESAUKEE WELLNESS CENTER

The Town of Center Harbor has contributed to our success since we opened in January of 2000 and we are most grateful for the support. In 2003 the number of Center Harbor residents enrolled totaled 38. An average of 50 Center Harbor residents using the Center is projected for 2004.

The Center is for the maintenance and improvement in health in an effort to avoid sickness. Recent studies published in such journals as the New England Journal of Medicine provide evidence that the program we offer will provide people with healthier habits. They will not only live longer, they will live better, experiencing only half as much chronic disability as their less prudent age mates.

Please call 253-1839 for further information.

November 21, 2003

To the residents of Center Harbor:

Genesis Behavioral Health is very grateful to the Town of Center Harbor for your 2003 appropriation. This funding helped Genesis cover the costs of providing mental health care to residents of your town who are unable to pay the full cost of their services.

During Fiscal Year 2003 (ending June 30, 2003), a total of 32 Center Harbor residents came to Genesis to find help for their mental health problems. Their ages break down as follows:

Ages 1 to 17	14
Ages 18 to 59	16
60 & over	<u>2</u>
Total	32

From this total, 10 residents (an increase of 43%) did not have the resources to cover the costs of their services in full. This "charity care" totaled \$6,623. Your town appropriation helped cover a portion of those costs.

Since 1966, Genesis Behavioral Health has provided mental health services for residents of the Lakes Region. Services are provided to children in schools, at home and in special programs designed to help the children practice the skills they need to improve their lives. Elders may receive services in their homes, group homes or nursing homes. Our Gatekeeper Program trains community volunteers to be alert to elders living alone who may need assistance. The Genesis Community Support Program provides services for adults living with life-long mental illnesses. Finally, individual therapy for adults and children can help address issues causing distress as well as provide guidance towards positive behaviors. Genesis emergency services are available 24 hours a day, every day of the year.

It's a fact. One out of five Americans will experience some kind of mental illness every year. Residents seeking mental health care are urged to call Genesis in Laconia at 524-1100.

Sincerely,

Michael Coughlin  
Executive Director

THE COMMUNITY RESPONSE LEADERSHIP GROUP

# CoRe

MEREDITH - CENTER HARBOR - SANDWICH

## PARENT SUPPORT GROUP

Any and all parents are welcomed to attend the parent support group led by

Mr. Michael Torch every Wednesday from 6-7 PM in the High School guidance office.

Mission: To decrease incidents of high-risk behavior among youth.

The CoRe group convened in 2001 in response to the NH Youth Risk Behavior Survey (YRBS). Inter-Lakes High School students scored significantly higher in every high-risk category on the NH YRBS than the state average. Using this data, CoRe was able to secure funding from the Office of Juvenile Justice and Delinquency Prevention (OJJDP) and the New Hampshire Substance Abuse Group (NH SAG), in October of 2002. The funds enabled CoRe to hire a full time project director, provide a parent support group facilitated by a licensed alcohol and drug counselor, hold community forums, facilitate outreach initiatives, and establish AFTER HOURS, a high-school student led group that plans and implements drug free alternative activities. Additionally, Inter-Lakes School District towns including: Center Harbor, Sandwich and Meredith have donated funds over the last two-year period to further support CoRe and its activities.

CoRe worked with the Inter-Lakes high school to administer the NH YRBS again in May of 2003. The survey revealed significant declines in most youth high-risk behaviors (Example: 30 day use of any substance among teens dropped 19%, from 69% to 50%). This is a testament to the effectiveness of current efforts, but also a call to increase efforts to further reduce youth risk behaviors.

CoRe's high-risk prevention initiatives include: a parent support group facilitated by a Licensed Alcohol and Drug Counselor once a week, After Hours, a student-led group at the high-school who plans and implements drug free activities on the weekend throughout the school year and a newly formed Snow Board Club that visits Gunstock twice a week. Summer activities include: an end of the year beach party for high school students, a 5 day all girls hiking trip and a mini boot camp hosted by the New Hampshire Army National Guard. CoRe also held their first annual Drug Prevention Fall Festival in Sept 03 at Prescott Park. It was estimated that over 900 people attended.

Additional outreach initiatives include trainings and community forums, alternative activities for court appointed juvenile offenders and curriculum and leadership training for middle and high school youth.

The CoRe group has recently taken the lead in working with the Belknap County Citizens Council on Children and Families, SAU #59, Alton Central School, DADAPR, Upstream, Genesis Behavioral Health, and Reclaiming Futures, to convene a Belknap County ATOD Prevention Providers Network. This network will share information and resources to maximize prevention efforts, minimize competition for future funding opportunities through collaborative planning, and provide opportunities to duplicate successful prevention initiatives, like the After Hours Program, to all towns in Belknap County.

## Private Well Users!

Have you had your well tested recently?

Drinking water from private wells in New Hampshire sometimes contains contaminants at levels that can pose health risks. Only a water quality test, by a competent laboratory, can assure that your family is protected.

What types of contaminants might be present in your well?

The following contaminants, some naturally-occurring and others man-made, have been found in private well water in New Hampshire:

Arsenic

Bacteria

Fluoride

Nitrate

Radium

Radon

Sodium

Uranium

Volatile Organic Chemicals (VOCs)

Where can you learn more about this?

For further information, please visit the N.H. Department of Environmental Services' website at [www.des.state.nh.us/wseb](http://www.des.state.nh.us/wseb), then select "fact sheets," then 2-1.
